

The Casting On Couch

Diagonal Lace Stitch In The Round

This stitch was used in a Beret and Fingerless glove knitting pattern of mine. It works beautifully in double knitting and will translate well into many yarn thicknesses.

Cast on a number of stitches divisible by 11. Use a circular needle and a marker to denote your starting point. Every row is a right side row.

The repeat works over 11 stitches and 2 rows.

Row 1: K1 * (k2tog, K2, wfrn, p7) rep * end k2tog, k1

Row 2: K1, p8 *(k3, p8) rep * end k2

Repeat rows 1 and 2 as required.

Abbreviations

K1- knit 1

K2tog- Knit 2 together

Wfrn- Wool forward and around needle.

P8 - Purl 8

Rep * - Repeat sequence within stars
